attend the meeting. Greg Maines of Maines And Associates of Arbor Vitae, Wisconsin, presented his plan for the Star Lake Cemetery which would add 96 (7'x10') casket gravesites and 24 (5' x 7') cremation gravesites. The Committee requested: a new plan be made to add more gravesites by reducing the casket gravesites size to 5' x 10', the cremation gravesites size to 4' x 5', aluminum color coated location markers be placed on every other gravesite corner, and if possible, additional cremation sites to be placed on the west side of the cemetery. The Town Board allotted ~\$3,000 in this year's budget for this project. The new plan, flagging and marking the gravesites, obtaining Town Board signatures and recording of the plat should take approximately 1 month.
